Pile material: Aquafil Econyl SD - 100% recycled
Wear classification: 33 - LC2
Horizontal resistance: ISO 10965
Vertical resistance: ISO 10965
Impact sound insulation: ISO 10140
Sound absorption: ISO 354
Burning classification: DIN EN 13501-1
Thermal resistance: ISO 8302

Made with 100% Regenerated Nylon

ECONYL®

Environmental properties:

GUT / PRODIS

Green Label Plus LEED v4:

BREEAM Schemes for
emissions for

building products:

EPD: Approved scheme GUT
EPD-ANK-20170222-CCA1-EN (Annex LC2)

Certificate of constancy
of performance:

Light fastness: 1658-CPR-3047

Water fastness: ISO 105 B02

Resistance to abraision dry-wet: ISO 105 E01

ISO 105 X12
