Upholstery

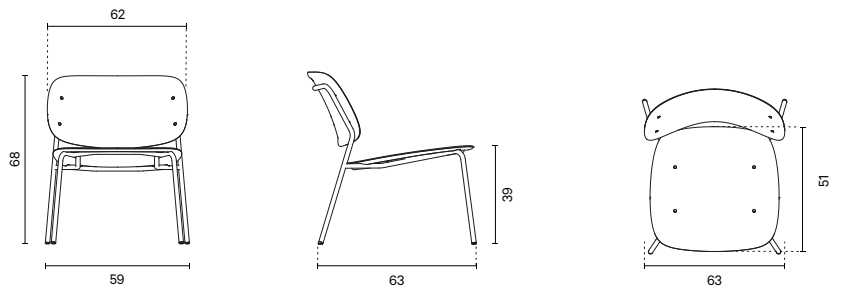

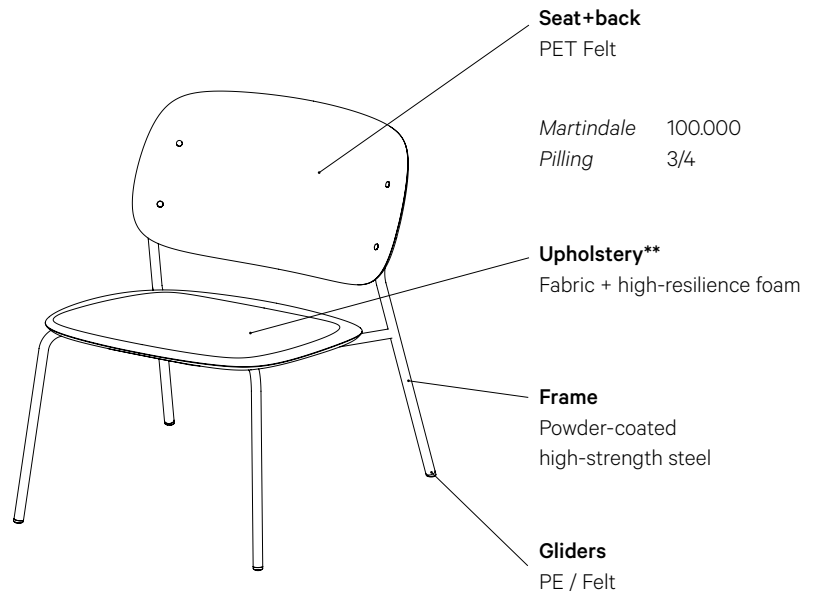

Kvadrat collection

**Please, note that seat upholstery is available as an optional feature.

Hale Lounge Chair references the family look with its refined expression and no-nonsense functionality. Made from PET Felt, the seat and backrest have a soft texture and gently curved ergonomic spine. Combined with a steel frame, few elements grant Hale a clean expression yet extensive comfort. Thanks to its fully customisable design and slender shape, Hale Lounge Chair won't take much space to seamlessly fit into any setting.

Product overview

Certifications

- BS 5852:2006 Ignitability test (performed on PET Felt)
- ISO 12947-2:2016 Abrasion resistance test (performed on PET Felt)
- ISO 12945-2:2000 Pilling Martindale (performed on PET Felt)

Care & Maintenance

Due to its porous structure, PET Felt can be easily cleaned with water. To remove most stains, it is sufficient to apply a copious amount of water and let it drip through. Do not rub the PET felt surface to avoid excessive pilling. If water is not sufficient, stubborn stains can be removed with professional cleaning products like the James cleaning set.
